

DINOSAUR ISLE and British Science Week

**Saturday 16th March
from 1pm**

The geological and palaeontological science of the northern end of Sandown Bay.

As part of British Science Week Dinosaur Isle will be leading a guided walk along the foreshore of the northern end of Sandown Bay.

Starting from the museum the walk will provide an insight into the ancient past, and to recent discoveries of dinosaurs and other fossils.

**Adults £5, children and concession £4,
Family (2+2) £16.50, Family (2+3) £19.50**

**All places must be booked, call us on
(01983) 404344 to book.**
